

PRESS

A GLITTERING SPRING

Just as winter takes away the sun and shine, spring takes away the gloom; and in its place, puts back the buoyancy and happiness of the season. In light of this, April brings along a vibrant month of food as well as artistic and athletic performances. Immerse yourself in the beauty of all that is happening around by indulging in culinary masterpieces, the highs of a great game, or simply settling down and getting ready for a good show.

SEASON CALENDAR

SINGAPORE HERITAGE FESTIVAL 2019

15 MARCH - 7 APRIL 2019
