IN GOOD FESTIVE CHEER

The sound of Christmas jingles bring on a tingle of excitement in the air as the most wonderful time of the year approaches. Settle in the holiday mood as the festive extravaganza unfolds in the city and ushers in the spirit of Christmas. Jubilation takes over as the year winds down and makes way for celebrations and gatherings with loved ones. In the midst of the year-end hubbub, take time to reminisce the past at Chinatown or revisit childhood classics at ArtScience Museum. Make this month of November one to remember.
