## FESTIVE SWEET CREATIONS

It's the perfect time to indulge in delightful Christmas confections. Returning to the spotlight is our Classic Chocolate Log Cake, a timeless festive favourite that never goes out of style.

Making its debut this year is the Sweet Chalet — a true showstopper featuring a chocolate crunchy base and Okinawa brown sugar sponge, offering a delectable harmony of textures and flavours.

Also new to the collection is the Golden Tropic Noël, a tropical-inspired delight of creamy coconut mousse infused with mango lemongrass and zesty passionfruit mango. This vibrant creation brings a refreshing twist to your festive dessert table, perfect for those seeking a light yet indulgent finale to their celebration.
